## Elmen Lamprecht

Co-Founder - 3DegreesTech

### Summary

Elmen Lamprecht is an HR Technology, Analytics and Talent Expert, focussing on helping companies improve the Recruitment, Retention and Management of their Talent.

His career spans over 15 years with in-depth experience in Human Resources. After starting as an HR Generalist, his expertise developed into Talent Attraction and Acquisition, fulfilling Regional and National roles in Outsourced Labour services, Permanent Recruitment and BPO services with several JSE listed companies

Elmen's core focus is on the achievement of business objectives by unlocking human potential through symbiotic collaboration between intelligent technology and human ingenuity. As Co-Founder of 3 Degrees Tech, he drives the use of Market Leading technology to create exceptional employee experiences
